Dear Governor Palik,

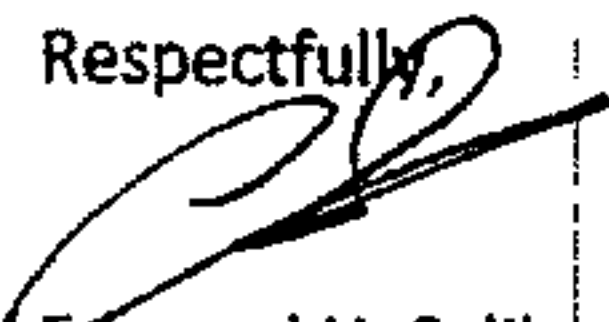

May this letter find you in the best of health! Let me once again extend my sincere gratitude for our meeting and important updates yesterday. As discussed, my staff and I will be submitting our most urgent project needs at the earliest possible time.

In order to keep the Judiciary Branch informed of the State's infrastructure upgrades including the Court's, I respectfully ask that you appoint Marston Luckymis, Court Administrative Officer, to be a member of the State Infrastructure Planning and Implementation Committee (IPIC). Section 5.208 of the Kosrae State Code limits the Committee's composition which may include "such other persons as the Governor shall appoint."

The Court's inclusion in the IPIC should be limited to information updates and planning purposes. Any IPIC issues or discussions that might cause one to question the Court's impartiality and integrity shall be vetted appropriately.

Heartfelt thanks again for your continued support.

Respectfully,

Edmond H. Salik
Acting Chief Justice
Kosrae State Court
