

TWELFTH KOSRAE STATE LEGISLATURE

SEVENTH SPECIAL SESSION, DECEMBER 2019

L.R. No. 12-72

(T&G)

A RESOLUTION

Urging the Governor of the State of Kosrae to establish an ad hoc Committee to review using a cost/benefit analysis the operations, functions, powers and duties of the Kosrae State Government agencies established by law with operational and decisional independence within limits set by law which are enumerated under Section 7.102 of the Kosrae State Code

1 **WHEREAS**, although the Directors of Kosrae State Government agencies have attended
2 meetings to discuss the progress of works undertaken by Kosrae State Government agencies
3 such works undertaken by these agencies are perceived to be progressing slowly; and

4 **WHEREAS**, it is further perceived that such state of affairs could stem from there being
5 a duplication of functions or an overlap of functions between one or more Kosrae State
6 Government agencies; and

7 **WHEREAS**, it is further perceived that review using a cost/benefit analysis will
8 determine whether it is appropriate that a Kosrae State Government agency enumerated under
9 Section 7.102 of the Kosrae State Code continues as a governmental instrumentality established
10 by law with operational and decisional independence within limits set by law or whether it is
11 appropriate that a Kosrae State Government agency be disestablished by law upon such Kosrae
12 State Government agency's functions, powers and duties by law being assigned to an appropriate
13 Kosrae State Government department; and

14 **BE IT RESOLVED**, by the members of the Twelfth Kosrae State Legislature, Seventh
15 Special Session, December, 2019 that the Governor establishes an ad hoc Committee to review
16 using a cost/benefit analysis to determine whether it is appropriate that a Kosrae State
