The Honorable Semeon J. Phillip
Speaker
13th Kosrae State Legislature

Dear Speaker Phillip:

Your Committee on Environment, Transportation, Communication, and Infrastructure (ETC&I) reports on L.R. 13- 07 entitled:

“Consenting and Confirming the nomination for Mr. Osamu M. Nedlic to serve as Director for the Department of Transportation and Infrastructure (DT&I).”

COMMITTEE ACTIONS:

Your committee met in an Executive meeting on Wednesday, February 24, 2023 around 1:30 pm to deliberate on this nomination.

On this meeting, your committee decided to hold public hearings and to solicit public hearings regarding this nomination.

On March 03, 2023, your committee held its first public hearing with the following witnesses; (1) T.H. Governor Tulensa W. Palik, (2) Nominee: Mr. Osamu M. Nedlic, (3) Acting Director, Division Heads, and Employees, and (4) Mayors of Utwe Municipal Government, Malem Municipal Government, and Lelu Town Government, unfortunately Mayor of Tafunsak did not show up.

COMMITTEE FINDINGS:

The intent of the subject resolution is clearly stated in its title.

During the public hearing, the Governor of the Kosrae State had mentioned the interest and willingness of the nominee to serve our state as a Director. As this being said, the nominee shared with the committee on what he can do to serve the need of the department and how much he will sacrifice responsibilities for this department although I am wearing two hats. As the committee met with the Acting Director, Division Heads, and the employees, the committee noticed the present employees agreeing or in full support for the nominee. During the last session of the public hearings, the mayors were in full support for the nominee.

Soon after the end of the public hearings, the committee met and agreed to move forward on the resolution by reporting out.
